

### **Chuck Mueller** **President, Fidelity Bank**

Chuck Mueller became president of Fidelity Bank in January 2008.

Chuck Mueller holds a bachelor's degree in finance from the University of Wisconsin – Milwaukee. He was hired out of college as a credit manager for Central Wisconsin Bank Shares, where he was promoted to a lending position before leaving to work as a lender for M&I Bank of Racine, Wisconsin in 1982.

In 1983, Chuck came to Fidelity and joined the team as a commercial lender. For nearly 20 years, Chuck developed a commercial banking team with the experience and resources to creatively serve the needs of Minnesota businesses.

One of his great accomplishments is that many of the lenders he hired are still a part of the Fidelity Bank team. In 2002, Chuck was promoted to executive vice president where he began developing a senior management team.

As president, Chuck now leads the senior management team in driving the bank's strategy.
